

Demonstration & presentation on “ Value added products from natural fibres “

Demonstration & presentation on “Value added products from natural fibres” was done by Mr Atish Chandra Chand of Hoods & Yards and his team on January 17, 2018. He explained about the methodology and the technology used for producing value added products from natural fibres. Dr. Arindam Basu, DG NITRA, thanked the team for their very informative and interesting presentations and appreciated the developments.
