

Confederation of Indian Textile Industry (CITI), one of the leading apex industry chambers of the textile & clothing sector, launches “InnoTex 2018 – an Innovation Contest for the T&C Industry” – first time in history of Indian T&C Industry!

Innovators can apply for the Contest if they have done an Innovation in Design, Method, Process, Cost and Product in any of the textile related sector, like Ginning, Spinning, Weaving, Knitting, Processing, Garmenting and Technical Textiles.

Innovation should not be older than 1st April 2017.

For submission of online applications and other details of the Contest, please visit <http://www.citiindia.com/innotex2018/>

Part of CITI's Diamond Jubilee Celebrations
